

DIRECT LINK SHIPPING SERVICE

EFI Logistics is pleased to announce details of our Direct Link™ Service between OCEANS Conference & Exhibition, San Diego USA and Ocean Business 21, Southampton UK

EFI Logistics, the official logistics partner to Ocean Business 21, are pleased to announce details of our Direct Link™ Service from Oceans in San Diego to OB21 at the NOC in Southampton.

Our operations teams in the USA and UK will combine to provide a **seamless link** between these two exceptional international events. Our easy-to-book, booth-to-booth service includes

- Direct pick up from Oceans venue after the close of show
- Provision of international shipping labels in advance
- Assistance with preparation of US Customs export formalities
- Transportation to arrival in London, UK
- All UK customs formalities, pick up and transfer to the OB21 warehouse
- Delivery to your booth at OB21 on the first day of move-in
- All drayage services including storage and return of empty crates/ packaging
- Full outbound/ return/ onward shipping service
- Onsite support from or dedicated service team

Contact the EFI team right away to book your service

Send an e-mail to OB21@efilogistics.com or visit our online information service, including downloading of instructions and booking forms, at <https://www.efilogistics.com/oceanbusiness21>

We look forward to being of service to you
