BUSINESS

- **All vehicles MUST report into the Traffic Marshalling Zone 1**, see location below on the plan.
- **DO NOT arrive too early** as space is limited and you will be turned away if it becomes too congested.
- Only proceed towards the Back Gate Unloading Area when a Traffic Marshal gives you permission.
- You will be issued with a build-up pass when you check into Marshalling Zone 1, you must display this pass at all time.
- Depending on the size of your vehicle you will have a **maximum of 1 hour to unload**. Vehicles left unattended will be towed as space is limited.
- Once unloaded follow the **one way system** to exit. Contractors in cars/small transits can park in the NOC front car park, however **space is limited**. If the car park is full the nearest alternative is Ocean Village Multi-storey car park - SO14 3TL.. Please note this car park is pay and display.

NO overnight parking at the NOC, vehicles will be towed away
