

SHIPPING, TRANSPORT, WAREHOUSE & HANDLING

Book Door to Stand Shipping & Delivery With EFI

EFI provide a range of local, regional and international collection, transport, shipping & receiving services for this event, including a worldwide door-to-stand & return service.

We're the official logistics service company for NDE 2022. We operate the advance receiving warehouse, where you can deliver materials via regular, scheduled services during the week before move-in. You can collect from us during the week after the show.

Order before the deadline to avoid extra charges! Send requests to order@efilogistics.com

Order Services As Soon As Possible!

Save time: deliver to the advanced warehouse in Singapore, or order your collection with EFI

Book onsite services with EFI in advance
There are additional costs for late orders

Here to help with shipping, customs and more!

As a registered Customs Agent, EFI can help with international shipping and customs. We offer a collection/ delivery service from all Worldwide locations.

For pricing, contact our team and tell us what you plan to ship

We'll need to know estimated sizes and weights of the materials to be packed/ shipped, destination address and any time restrictions/ requirements for collection/ delivery
